

## APPLICATION/RENEWAL FOR DOG KENNEL LICENSE

The Municipality's Responsible Animal Ownership (RAO) By-law requires that anyone housing, boarding or breeding more than the prescribed number of dogs over the age of six (6) months must have a Kennel Licence.

Fully complete this form and attach all required documents. All new or renewal licences for a Kennel will only be approved by the Municipal Law Enforcement Officer (MLEO) once they have inspected the premises. If this is a Renewal, a site plan is only required if the site has been changed.

**6. Annual Inspection**

All new and/or renewal applications for a Kennel Licence will only be approved by a MLEO once they have inspected the premises to ensure compliance with the RAO By-Law. A MLEO will contact you within two weeks of the submission of this application and its applicable fee to schedule this inspection. If, after the inspection, the MLEO determines that work must be done before the approval of the Kennel License, they will schedule a reinspection a reasonable amount of time in the future to allow for said work to be completed. If, after the reinspection, work still must be completed before the approval of the Kennel License the MLEO will fail the application and another must be completed, including all fees and applicable paperwork. A MLEO may also enter upon and inspect any kennel facility without notice at any reasonable time.

I attest that all of the provided information is true and correct and that I have included the applicable fees and documents required.
