NOTE:

On March 19, 2020, Bill 187, *Municipal Emergencies Act, 2020* came into force. This legislation amends the *Municipal Act, 2001* to permit municipalities to amend their procedural bylaws to provide that, during emergencies, members of Councils, local boards, and committees who participate in meetings electronically may be counted for the purposes of determining quorum. Further, on July 21, 2020, the COVID-19 Economic Recovery Act, 2020 was passed to further amend the *Municipal Act, 2001* such that a Municipality's procedural by-law may permit Councillors to participate electronically in both open and closed meetings and for those Councillors to be counted in determining quorum when participating electronically. Therefore, the Municipality of Killarney has determined to further amend its procedural by-law. Accordingly, meetings of the Municipality's Council, local boards, and committees will be conducted via teleconference, zoom or via in person meetings. The public will also be able to participate in such meetings in the same manner.

Let us begin this Regular Meeting of Council by acknowledging that we are meeting on the traditional territory of the Algonquin People who we recognize as the past, the present, and the future caretakers of this land. As settlers, we're grateful for the opportunity to meet here and we thank all the generations of people who have taken care of this land. Long before today, for thousands of years, the Algonquin People have been the stewards of this place. We acknowledge the Robinson-Huron Treaty territory, and in particular the lands of the Wikwemikong First Nations.
