AND THAT, without limitation, Bill 242 provides that a municipality will have met the standard for shelter space for the purposes of the municipality’s jurisdiction to enforce its standards regulating or prohibiting encampments in its parks and open spaces:

BE IT RESOLVED THAT the Municipality of Killarney support Resolution No. 2024-430 passed by the Township of Puslinch on November 27th, 2024, and Motion: 15-2025 passed by the Municipality of South Huron on January 13th, 2025 which strongly object to the undue burden being placed on municipal taxpayers to subsidize the aggregate industry, and calls on the Provincial Government to:

Reevaluate and correct the misguided subsidies being provided to the aggregate sector, and ensure that future tax policies are fair, equitable, and consistent for all taxpayers.

1. Uphold the principles of revenue neutrality in the aggregate tax framework and ensure that any new tax classifications or methodologies do not result in a net loss of revenue for municipalities, especially those that are already facing significant financial challenges.
2. Commit to meaningful reform that ensures fairness and consistency across all sectors of the economy and actively engages municipalities and taxpayers in a transparent and inclusive process, rather than catering to the demands of the aggregate industry.
3. Take immediate action to correct the existing inequities in the tax framework, ensuring that the burden of this correction is not unjustly shifted to municipal taxpayers, particularly those in rural communities who host these operations.
4. Respect and uphold the integrity of the legal process by honouring the decisions of the Divisional Court and ensuring that all assessment methodologies are transparent, accountable, and based on a fair and balanced approach.
5. Further be it resolved that the Council for the Municipality of Killarney supports TAPMO’s call for the provincial government to adopt reforms that prioritize the needs and fairness of municipal taxpayers and to ensure that the aggregate sector contributes its fair share to the province’s tax base; and

FURTHER THAT this resolution be forwarded to all those noted in the resolutions passed by the Township of Puslinch and the Municipality of South Huron.

WHEREAS President Trump has suggested that with the use of “economic force” such as tariffs, Canada should become the 51st state of the United States, and further suggests that many Canadians would agree;

AND WHEREAS Canada is a sovereign nation with a peaceful history of self-governance dating to its Confederation in 1867;

AND WHEREAS the Canadian identity is marked by a deep-rooted pride in its heritage and culture founded by French and British settlement, enriched by Indigenous culture and traditions and by more than a century and a half of multi-cultural immigration;

AND WHEREAS Canada has significant global standing, consistently supporting its allies, including the United States, in global conflicts such as two world wars, and wars in Korea and Afghanistan; and in international coalitions and in being consistently recognized as among the top countries in the world for quality of life;

AND WHEREAS the shared history of the United States and Canada has been one of friendship, respect and neighbourly relations;

NOW THEREFORE BE IT RESOLVED THAT the Council for the Municipality of Killarney categorically rejects any efforts by President Trump or any others to undermine the sovereignty of Canada. We stand united with our Ontario Premier Doug Ford and our Canadian Prime Minister Justin Trudeau for a Canada that remains strong, free, independent, and characterized by peace, order, and good government.
