BE IT RESOLVED THAT the Municipality of Killarney establish new hours at the Killarney Village Landfill Site that will make the site more accessible to our seasonal summer residents.

It is suggested that the following times be adopted:

Sunday from 8:00 AM to Noon and 2:00 PM to 6:00 PM

FURTHER THAT the Municipality of Killarney establish a temporary garbage pick-up system for our seasonal summer residents to coincide with the weekly village pick-up schedule which is every Tuesday morning. The manned truck/trailer will be located on Channel Street in close proximity to the Municipal Launch Ramp from 10:00 am to Noon.

This pick-up system will only accept tagged household garbage bags and clear bags of recycled refuse as outlined in the Municipal recycling program. As per curb-side collection procedures only household refuse and recyclables will be accepted, no brown waste, metals, etc. The municipal employee has the discretion to refuse unaccepted items.

Further, if this service is abused whereby users leave refuse prior to or after the scheduled pick-up, or leave items other than bagged household/recycled garbage, the program will be immediately cancelled.
