

DID YOU KNOW?

Snow Removal & The Clean Yard By-Law

The Clean Yard By-Law prohibits snow from being pushed onto Municipal property or the property of others without their permission. This includes roadways. Snow may not be pushed onto or across a roadway and any snow left on a roadway or sidewalk (e.g. windrows) must be removed. Snow left on roadways and sidewalks can be hazardous to drivers and pedestrians.

Please be mindful of snow removal crews and do not park on the streets when they are in operation. Additionally please report any hazardous conditions on sidewalks or roadways to the Municipality.

If snow is pushed across roadways or if snow is left on roadways or sidewalks, fines may be issued.

Thank you for your cooperation.
