

Municipality of Killarney

In March of 2022, the Municipality of Killarney received a \$70,000.00 grant from the **Ontario Trillium Foundation Resilient Community Fund** for upgrades to the Municipal Building Public Washrooms at 32 Commissioner Street.

The renovations, which included the installation of accessibility features, baby change tables, new washroom stalls, nonslip flooring and touch free fixtures and has helped the Municipality rebuild and recover from impacts of COVID-19.

This project has resulted in increased accessibility and a greater ability to ensure the most sanitary environment for the continued health and safety of residents and visitors.

The Municipality acknowledges this important contribution from

The Ontario Trillium Foundation

which supports our efforts to rebuild our resilience and capacity to return to building a healthy and vibrant community.
