The Municipality of Killarney wishes to advise our Key River Residents that there is a forest fire on the Henvey Inlet Wind Farm and it has moved within 1 km of the south shore of the Key River. The Ministry of Natural Resources & Forestry (*MNR*) have deployed additional crews and are currently using the water bomber to get the fire under control. MNR is suggesting if you do not need to go to your camp then -- **DON'T GO**. Further, as a precaution you may wish to water your roofs and decks in the event falling embers become an issue.

For further information, please contact the Municipal Office at 705-287-2424
