WHEREAS there is a visible disparity between the northern and southern population of Ontario; and

WHEREAS northern Ontario has an abundance of opportunity in the form of municipally serviced building lots for both Industry and population growth; and

WHEREAS high residential property taxes in northern Ontario discourage and prohibit the construction of new residential single family dwellings; and

WHEREAS the addition of a Small Northern New Residential property tax class and subclass would create an incentive for the building of new homes in small northern Ontario communities;

THEREFORE BE IT RESOLVED THAT the Council for the Municipality of Killarney does hereby request that the Honorable Minister Peter Bethlenfalvy, the Minister of Finance, amends the Assessment Act to include a Small Northern New Residential property tax class and subclass.

BE IT FURTHER RESOLVED THAT this resolution be forwarded to the Honourable Doug Ford Premier of Ontario; local MPPs; the Honourable Minister Peter Bethlenfalvy, Minister of Finance; the Honourable Minister George Pirie, Minister of Northern Economic Development and Growth; the Honourable Minister Rob Flack, Ministry of Municipal Affairs and Housing; all northern Ontario Ministers; AMO; FONOM; NOMA; NEOMA; NESMG; and ROMA.

WHEREAS the Nuclear Waste Management Organization (NWMO) is a consortium of nuclear power companies whose mission is to site and develop a deep geological repository for high-level nuclear waste from all of Canada’s nuclear power reactors; and

WHEREAS the NWMO project involves transportation, processing, burial and abandonment of an estimated 100,000 tonnes of highly radioactive nuclear fuel waste; and

WHEREAS there are scientific and public concerns about the risks of radioactive exposures along the transportation route and in the region of and downstream from a nuclear waste burial repository site under both normal operating and accident conditions; and

WHEREAS there is no deep geological repository for high-level radioactive waste operating anywhere in the world; and

WHEREAS there are many scientific and technical uncertainties related to deep geological repositories and the NWMO’s project remains in a conceptual stage of development; and

WHEREAS the NWMO emphasized for over a decade that it would not proceed without an “informed and willing host”, but has excluded those living downstream and along the transportation route from its definition of “host” and from its determination of willingness; and

WHEREAS Grand Council Treaty #3, Nishnawbi Aski Nation, Anishnabek Nation and many individual First Nations and municipalities and public interest groups along the transportation route and downstream from the site have expressed their opposition to the NWMO’s project, making it clear that they are informed and unwilling; and

WHEREAS the NWMO announced in November 2024 that it had selected the Revell site between Ignace and Dryden in northwestern Ontario; and

WHEREAS this announcement was made despite Wabigoon Lake Ojibway Nation’s having expressed “willingness” only for site characterization, and having specified that this does not signify approval of the project; and

WHEREAS a federal impact assessment of the NWMO’s project commenced on January 5th, 2026;

THEREFORE BE IT RESOLVED THAT the Municipality of Killarney urges the federal government to direct the owners of high-level nuclear waste (Ontario Power Generation, Hydro Quebec and New Brunswick Power) to establish secure storage solutions for the nuclear waste in the vicinity of their reactor stations where the waste has been generated and is currently stored, as an alternative to the NWMO project; and

FURTHER BE IT RESOLVED THAT the federal government ensure that the impact assessment and regulatory and licensing processes for the NWMO project are comprehensive and include the impacts and risks of nuclear waste transportation and processing, and the long-term safety of the project, including alternative means of carrying out the project activities including nuclear waste transfers, transportation and processing.

BE IT RESOLVED THAT the Council for the Municipality of Killarney supports the resolution passed by the Town of Fort Frances on January 12, 2026, which calls upon the Province of Ontario to:

1. Establish an Ontario Airport Capital Assistance Program (OACAP) to provide dedicated annual funding for small and regional airports; and
2. Ensure eligibility for a broad range of capital projects, including safety upgrades, equipment maintenance, and runway maintenance; and
3. Engage municipalities in program design, ensuring local needs and realities are reflected in funding criteria; and
4. Recognize the essential role of airports in medevac and emergency services, especially in remote and northern communities.

26-048 BY MARY BRADBURY – NIKOLA GRUBIC

WHEREAS LifeLabs has announced its intention to close its Greater Sudbury Laboratory, and the transfer of medical specimen processing from Northern Ontario to laboratories in Southern Ontario; and

WHEREAS the Greater Sudbury Laboratory provides essential diagnostic services to communities across Northern Ontario, including urban, rural, and remote municipalities, and plays a critical role in ensuring timely and reliable medical testing for Northern residents; and

WHEREAS patients with chronic illness, newborns, long-term care residents, and individuals on time-sensitive medications depend on predictable laboratory turnaround times to support clinical decision-making; and

WHEREAS transporting medical specimens long distances to Southern Ontario increases the risk of delays, specimen degradation, and retesting, particularly during frequent winter highway closures – potentially jeopardizing patient outcomes; and

WHEREAS Northern Ontario is already experiencing shortages of health-care professionals, and the closure of this laboratory further undermines regional workforce stability, training capacity, and recruitment and retention efforts;

THEREFORE BE IT RESOLVED THAT the Council for the Municipality of Killarney call on the Province of Ontario and the Ministry of Health to take immediate action to ensure that essential medical laboratory services remain accessible within Northern Ontario, including maintaining local laboratory processing capacity in Greater Sudbury; and

BE IT FURTHER RESOLVED THAT the Province be urged to ensure reliable, timely, and medically appropriate laboratory turnaround times for Northern Ontario patients, recognizing the unique geographic and climate challenges of the region; and

BE IT FURTHER RESOLVED THAT the Province be requested to protect and support the Northern-Ontario health-care workforce, including medical laboratory technologists, by preventing further services centralization that disproportionately impacts Northern communities; and

BE IT FURTHER RESOLVED THAT copies of this resolution be forwarded to:

1. The Honourable Doug Ford, Premier of Ontario
2. The Honourable Sylvia Jones, Minister of Health
3. MPP France Gelin, Nickel Belt
4. MPP John Vanthof, Timiskaming-Cochrane
5. Association of Municipalities of Ontario (AMO)
6. Northern Ontario Municipal Association (NOMA)

WHEREAS prescription drug diversion, particularly involving regulated opioids and other controlled medications, presents a serious and growing risk to public health, community safety, and vulnerable populations across Ontario, including Northern and rural communities; and

WHEREAS evidence from law enforcement, health professionals, and community drug strategy partners demonstrates that diverted prescription medications are contributing to substance misuse, criminal activity, and increased strain on health, social, and enforcement systems throughout Northern Ontario; and

WHEREAS the Partnership and Collaboration Project, “The Birth of Change” (written by the North Bay Police Services and Community Drug Strategy of North Bay & Area), brings together law enforcement, addiction medicine specialists, pharmacists, public health partners, and community organizations to address prescription diversion through a collaborative, evidence-based, and multi-sector approach; and

WHEREAS the project identifies practical regulatory, prescribing, dispensing, and prevention measures intended to reduce diversion while maintaining appropriate access to medically necessary pain management and addiction treatment services; and

WHEREAS municipalities across Northern Ontario are experiencing the downstream impacts of prescription diversion, including pressures on emergency services, policing, housing stability, and community well-being; and

THEREFORE BE IT RESOLVED THAT the Municipality of Killarney formally supports the Partnership and Collaboration Project, “The Birth of Change” and its objectives to reduce prescription drug diversion through coordinated, evidence-based action; and

BE IT FURTHER RESOLVED THAT the Municipality of Killarney calls on the Province of Ontario, including the Ministry of Health and the Ministry of Mental Health and Addictions, to review and give serious consideration to the project’s recommendations, including regulatory, prescribing, dispensing, and prevention strategies aimed at mitigating prescription diversion while protecting patient care; and

BE IT FURTHER RESOLVED THAT the Municipality of Killarney encourage continued provincial engagement with municipalities, law enforcement, health professionals, pharmacists, and community partners to ensure that solutions are practical, regionally appropriate, and responsive to the realities faced by Northern Ontario communities; and

BE IT FURTHER RESOLVED THAT a copy of this resolution be forwarded to the Minister of Health, the Associate Minister of Mental Health and Addictions, Sgt. Brad Reaume, Northern Ontario Members of Provincial Parliament, NOMA, AMO and ROMA.
